

Title: Industry Tour II: National Instruments

Date/Time: Tuesday, July 29, 1:00 PM – 4:30 PM

Location: National Instruments, Austin, TX

Cost: \$35

Please meet at the conference registration desk promptly at 12:45 PM.

Description: National Instruments is revolutionizing the measurement and automation industry with virtual instrumentation, a concept that gives educators and industry trainers the freedom to define solutions that meet their particular needs using industry-standard technology. This tour will provide a behind the scenes look at National Instruments' manufacturing facility that develops the hardware behind National Instruments' virtual instrumentation technology.

Don't miss out – register today! Registration for this tour is limited to 30 participants.
