

Title: Best Practices for Student Enrollment and Program Survival

Date/Time: Thursday, July 31, 1:30 PM – 3:00 PM

Location: Renaissance Austin Hotel

Description: This panel and roundtable discussion will focus on sharing best practices for building program enrollments. Bring your success stories as well as your “Don’t Do What I Did” stories. Attendees will hear briefly from a panel who will initiate the discussion.

Presenter: Hector Aguilar, Department Chair of Electronics and Advanced Technologies, Austin Community College
